## City Council Update

Due to the Governor's last freeze the November City Council meeting was canceled, and if the numbers of COVID-19 cases continue to rise in the Rogue Valley we may be experiencing the same decisions for the meetings in December. With that said, the lights are still on and everything at the City is functioning well.

***The Mayor, City Councilors, Planning Commissioners, Staff and all the other many volunteers that make the City succeed want to wish you and your families a Safe, Blessed Merry Christmas and Happy New Year!***

### More information on the grant application process...

The City is continuing the process in obtaining funding for a another water reservoir, updating and replacing water meters and fire hydrants throughout the city. So far we have heard no comments from any citizens. If you have concerns or would like more information please call or write us at City Hall.

***The free leaf pick-up program will end December 31st!***  
*With the best planning and intentions the leaf pick up has been delayed by a mechanical problem with the leaf truck, but the truck should be fixed by the time you receive this letter. Soon you will see staff back out and about.*

***Remember that bags are always available at City Hall, just knock on the door and we'll bring them out to you!***

***Please be patient with our Public Works Crew. This time of the year is always hectic for everyone.***

***Goodbye Fall, Hello Winter!***

## Mayor's Corner

I hope you all had a nice Thanksgiving. By the time you read this Thanksgiving and the Tree Lighting in the Downtown Plaza along with the VFW Christmas Tree Auction will be over. I want to take this time to thank everyone who worked on these projects and to make the events possible under these difficult times.

The Winter Solstice is Monday, December 21<sup>st</sup> this year. With the pandemic affecting our Holidays this year, our normal Christmas will have to be celebrated differently. The one thing that won't change is the joy of getting Christmas cards, phone calls, mailed packages and the happiness of decorating.

As the Christmas Holiday comes this month, I'm thankful for family, friends, the support of our citizens of Rogue River and the opportunity to serve this community.

*Wishing Peace, Joy & Happiness  
~ Mayor Wayne*

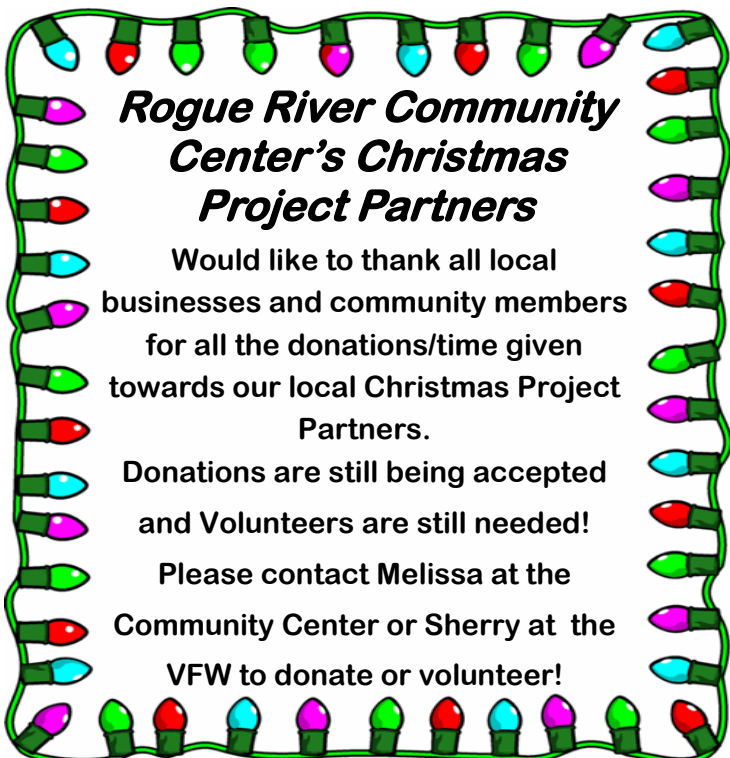

### Tis the Season!

**"Rogue River Police Department's  
Toy Drive"**

Our Officers are working in partnership with the Rogue River School District and Dollar General, if you find yourself in a position to give this year, please consider the toy drop located in Dollar General. Thank you from all of us...

## Rogue River Community Center's Christmas Project Partners

Would like to thank all local  
businesses and community members  
for all the donations/time given  
towards our local Christmas Project  
Partners.

Donations are still being accepted  
and Volunteers are still needed!

Please contact Melissa at the  
Community Center or Sherry at the  
VFW to donate or volunteer!

## PROTECTING YOUR HOME AGAINST FROZEN & BURST PIPES

Identify the main water shut-off to your home or business and try it before you have to use it. There should be a valve behind the water meter at the street. Call City Hall if you need assistance in locating your shutoff valve. We can be reached at 541-582-4401.

- Turn off outdoor faucets and disconnect hoses.
  - Turn off and drain irrigation sprinklers and supply lines.
  - Insulate pipes in your breezeway, crawl spaces and attic.
- These exposed pipes are the most susceptible to freezing. If your system is vulnerable, turn on faucets (both hot and cold) until they trickle slowly if you have any concern about pipes freezing.
